CODING SKILLS

- HTML, Javascript, CSS
- Python
- C++, C#
- PHP
- MySQL
- ReactJS
- MERN Stack frameworks

EXPERIENCE

- Image Gallery! (Fullsail School Project): Apr 16, 2017
 - A school project that tested my ability to use a REST API to grab images from Usplash. (I was the sole coder)
 - Coded in HTML and CSS with some Javascript.
- Rockband! (Fullsail School Project): Mar 23, 2017
 - A site to test what I've accrued since I started Full Sail.
 - Coded in HTML, CSS, and Javascript with the assistance of pre-created images.
- Registration Form! (Fullsail School Project): May 26, 2017
 - A school project wherein I was tasked to simply create a usable registration form (reusable).
 - Coded in HTML, CSS, SASS, and Javascript.
- An old PHP personal project: Aug 1, 2014
 - A video site I was asked to create before I had any training in web development.
 - Coded in HTML, PHP, and CSS
